

Membership Application – Pickering Hedgehog Rescue

Please complete this form to become a member or to renew your subscription.

Our members are vital to us, and the funds generated help towards the monthly running costs of the centre.

Members will receive two newsletters a year with news and information about what is happening at the rescue. To save resources, newsletters will be sent via e mail rather than by royal mail.

Your membership pack may be sent by mail, but all future correspondence will be e mailed if you supply an e mail address.

Members Name:

Address:

.....

.....

Individual Renewal / New Membership - £10 annually January to December
